

If you have a particular skill, training or knowledge that might be useful to the Milford on sea Wildlife Recording Group, please detail them here.

A lot of the field work we do is on rough ground or up trees so it would assist us to know if you have restricted mobility or are handicapped in any way. There will still be plenty of things you could do to help, so your membership is welcomed.

When completed, please post this form with your cheque for £3 to:
MOSWRG Membership Secretary
